

Payroll & HR Solutions

Protecting Your Greatest Asset

Payroll & HR Solutions

How you handle your people is every bit as important as how you manage any of your business assets.

eOutsource Group provides a complete answer to your Payroll & HR needs. We provide a comprehensive HR package to include online payroll, HR training, HR support, employee handbooks, benefit management and more.

Why should you outsource your HR functions? Outsourcing provides a cost effective approach to hiring and staffing. Outsourcing your HR functions will give you access to greater expertise and effective cost savings.

The challenge of being an employer creates a need to manage this valuable asset, your employees. With our Payroll & HR Solutions you will have access to experts in the field of HR, greater controls in place to manage personnel, a cost saving plan to manage people, better benefit administration, and more.

With our Payroll & HR solution a business can outsource all or part of their complete HR department or augment an existing one.

Here is what is available –

- Payroll – easy online payroll processing for 1 to 1,000 or more employees
- HR Portal – secure online access to HR or employee information to authorized personnel
- Benefit Administration – provide benefits, administration of payments, reporting to insurance, COBRA processing
- Government Compliance – posters (State & Federal), employer compliance assistance (termination, processes, hiring, recruiting)
- HR Performance Management – performance evaluations based on business and/or job requirements, benchmarking from similar companies
- Wage Analysis – comparative analysis of wages in the marketplace for similar jobs
- Management & Staff Training – general HR training for management and staff such as sexual harassment, diversity training (ethnicity, religion, etc.)
- Employee Surveys – satisfaction, company benefits, general feedback
- Policy, Procedures & Handbooks – drafted, written and published documentation for your website
- Background & Credit Verifications – verifying history and credit for employment
- Employment Verification - verifying prior employment
- Education Verification – verifying previous education

Benefits:

- Access to greater expertise
- Easy, simple payroll processing
- Improved business performance
